From Syed Ebrahim brother of the late Bas[?] Saib, Manager of Nar[?] =Ramanath Ambalam and Meerassy of Ram=nad [illegible] —

received 16th Feb[?]

To the President and Members of the Board of Revenue

The humble Petition of Syed Ebram
Brother of the late Bavay Saib
Manager of Narknamah Ambalum
& Meerassy of Ramnadporam

Humbly Sheweth

That your poor petitioner most submissively implore to lay this address before your Hon^ble Board, suggesting that in the Gov^t. of the Carnatic the Managem^t. of Narknamah Ambalum Meerassy were from time immemorial uninteruptedly enjoyed by your petitioners Ancestors up to the time of your petioners brother Bavay Saib, But after some time your pet^r. Uncle named Kalandur have unjustly deprived your pet^r. of the said Meerassy Management in consequence of which complaint were made to the late Nabob Bahadur, who issued an Inayetnamah to the Ramnadporam Dewan Mootteeroolapully of Bhadpuddy Zemendar, to investigate the matter, who on an investigation & arbitration, sent the parties to the Pagoda of Podavadyar to make oaths, and to put our hands in the boiled Ghee as it was a Custom, accordingly your petitioner having done so, and the said Dewan of Bhadpuddy Zemindar was fully convinced & clearly perceiving that your pet^r. were

the sole Manager of the said Meerassy, and granted us the Vithepattarum and Serasputtarum to enjoy the said Meerassy as formerly.

That after many years your petet.rs brother Bava saib departed this life, while your petet.r yet young, & the Son of your petet.rs Uncle Baboo Shaik Ibram, who came merely to condole your pet.r on the death of his Brother, have unjustly deprived your petet.r of the said Meerassy Management, who was kept by your petet.r as a Cooly to manage the affairs, in consequence of your petet.rs young age, & besides the said man granted a Muchilka signed by him, and many other witnesses of different casts, which is now under your pet.rs possession. When his Highness the Nabob and the Town Major came to Trichinopoly, your pet.r made his complaints to them who desired your pet.r to come to Madras, and that he would lay my case to the consideration of Govt. accordingly your petet.r done so, who was pleased to order Mr. Peter the Coll.r of Madura to investigate the matter, and when your pet.r went to the said Collector, desired your pet.r to bring his Case in writing, accordingly having written an arzee in Malabar and presented to him, who on perusal endorsed on the Malabar petition, & told that he could not do any thing, in consequence of the matter was settled in the Zilla of Ramnadporam, which arzee was also delivered to Govt. and after some Months waiting in consequence of not getting

Translation of an Arzee from Narsinga row Tahsildar of Ramnad - 7th Aug. 1824 -

In the orders sent to me on the 25th June then that Syed Ebram of Ramnad represents that his ancestors enjoyed the Meerasy of the Pullaputtaday Amblom of the Casbah of Ramnad - that his father likewise Enjoyed it, and at his death, as he was young, Shaik Ebrajee, & Shaik Ebrajee son of Tauper Amblagarren had taken forcible possession of it - That he has a lawful right to the same, and directing me to make Enquiry as to who is the rightful owner to the said Meerasy, & to what period the Complainants father held it - By what right, & from what period the opponents have Enjoyed it, & whether any Decree had Ever been passed in the Court regarding this matter, & if so, that a Copy of it should be taken, & to forward it with other documents to the Hoozoor in Eight days time -

After Entering the substance of the

Depositions of the Witnesses, he then proceeds to state as follows —

By the depositions of 10 Witnesses on the part of the Pltff, it appears to me, that the Complainant is Entitled to the Amblow Meerassy, that as his father was of a mild & quiet disposition, the opponents father Kullender (Brother in law to the Complainants father) had assisted to manage the said Amblow affairs in concert with him; & that he was likewise Employed in the business for wages, & that afterwards they had a dispute for the Amblom —

By the deposition of the Defendants Shaik Ebrogee, he states that the Meerassy Amkom belonged to him, that in the time of Mr. Jackson, his father Kullender had furnished the necessary Supplies & Cattle required by the troops, & had attended to the calls & wants of the Circar — that Mr. Jackson had in consequence declared by a Proclamation the appointment of his father

to the said Ambloo — That in the time of Mr. Parish the Complainant preferred a Complaint against the Defendants father, when a Proclamation was issued in favor of Kullebder as Amblegar to the said Ambloo, & the Complainants declared as having no right thereto — That latterly the Complainant preferred a Complaint in the Zillah Court of Ramnad for recovering the said Meerassy when it was decreed in his (the Defendants) favor, & the Complainant awarded to pay the Costs of Suit — On reference to the decree of the Court, it appears that Seed Ebram Complainant sued the Defendant for recovery of the Ambloo Meerassy which Kullerder had usurped in the year Ananda that the income of it is 40 Pagodas ℘ year, making for 10 years 400 Pagodas, & 20 Pagodas Batta &c 1793 —

In consequence of the evidence given by Mr. Parish, the Court decreed the Meerassy in favor of the

Defendant, & the Complainant Syed Ebram to pay the Costs of Suit — The Complainant is the rightful owner of the Amblom Neenapy, but as the Complainants father Mulla Ebrogee was of a weak & mild disposition, & as his son was young when he died, ~~Huttleader~~ father of the Defendant Shaik Ebrogee superintended the affairs of ~~the Amblom~~ from the yr. Ananthah AD 1794 & had attended to the duties in the time of Mess^rs Jackson & Parish in supplying the Troops which passed by this route, they issued Proclamation in his favor & as a Decree had been passed in favor of the Defendant in the Ramnad Zillah Court, the Defendants father attending, & the Defend^t have had Enjoyment of it for these 30 years, & he has been put in possession of the office according to the Decree of the Court, & the order of the Hoozoor.

Decree of the Ramnad Zillah Court dated 19th Nov 1803.

R

Gentlemen,

Charges of some Religious and Charitable in-
-stitutions, which he is desirous of Establishing

nds No. 2. 2d Statement No. 2. shews the
Total Ayacut Extent of land in the Villages
in which the lands are solicited, from which
will appear, the trifling Extent Cultivated
within the last 3 Years, and the Extent laid
Waste, and as the proposer engages to convert
a great portion of them into Nunjah at his
own Expence, and to apply the Surplus Re-
-venue derivable from them after deducting
the Circar teerwah, to Religious & Chari-
-table purposes, I have deemed it proper
to submit his proposals for your considera-
-tion, in the hope that they will meet
with your approbation, especially as these
lands do not interfere with those non Cultivated
~~Extent offered by the proposer on account~~

The rent therefore to be derived from them will be in addition to what is now realized from the different Villages as exhibited in Statem^t. No. 2.

~~& his laying out a large Sum of money to convert Poonjih lands into Nunjih will render the Revenue to be paid, more than what has been realized for the last 10 years.~~
